nyt best selling authors drs les leslie parrott reveal new techniques based on extensive research that help couples manage conflict constructively that s the good fight

faith in the fight tells a story of religion soldiering suffering and death in the great war recovering the thoughts and experiences of american troops nurses and aid workers through their letters diaries and memoirs jonathan ebel describes how religion primarily christianity encouraged these young men and women to fight and die sustained them through war s chaos and shaped their responses to the war s aftermath the book reveals the surprising frequency with which americans who fought viewed the war as a religious challenge that could lead to individual and national redemption believing in a christianity of the sword these americans responded to the war by reasserting their religious faith and proclaiming america god chosen and righteous in its mission and while the war sometimes challenged these beliefs it did not fundamentally alter them revising the conventional view that the war was universally disillusioning faith in the fight argues that the war in fact strengthened the religious beliefs of the

americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles for many americans ebel argues the postwar period was actually one of reillusionment demonstrating the deep connections between christianity and americans experience of the first world war faith in the fight encourages us to examine the religious dimensions of america s wars past and present and to work toward a deeper understanding of religion and violence in american history

themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic christian faith themelios is published three times a year online at the gospel coalition thegospelcoalition.org themelios and in print by wipf and stock its primary audience is theological students and pastors though scholars read it as well themelios began in 1975 and was operated by rtsf uccf in the uk and it became a digital journal operated by the gospel coalition in 2008 the editorial team draws participants from across the globe as editors essayists and reviewers general editor brian tabb bethlehem college and seminary contributing editor d a carson trinity evangelical divinity school consulting editor michael j ovey oak hill theological college administrator andrew david naselli bethlehem college and seminary book review editors jerry hwang singapore bible college alan thompson sydney missionary bible college nathan a finn southeastern baptist theological seminary hans madueme covenant college dane ortlund crossway jason sexton golden gate baptist seminary editorial board gerald bray beeson divinity school lee gatiss wales evangelical school of theology paul helseth university of northwestern st paul paul house beeson divinity school ken magnuson the southern baptist theological seminary jonathan pennington the southern baptist theological seminary james robson wycliffe hall mark d thompson moore theological college paul williamson moore theological college stephen witmer pepperell christian fellowship robert yarbrough covenant seminary
