this is a one of a kind book combining easy to understand science in the trenches political warfare and inspirational stories it aims to give hope to individuals and families who suffer from chronic disease or disability to point out how ordinary people can make an extraordinary difference in the battle to ease suffering and save lives through supporting medical research to share in people talk some of the amazing progress already achieved in the new field of stem cell research to show how even such a magnificent success as the california stem cell program is under constant attack from ideological groups to offer medical research as a force for international cooperation to suggest how cure research lessens the need for the mountainous costs of endless care unparalleled background the author has been involved in virtually every important stem cell battle state national and international since embryonic stem cell research began the author works closely with robert n klein sponsor of the california stem cell program the largest source of such stem cell research funding in the world in addition the author is an award winning teacher as well as writer and seeks to entertain as well as educate his book is not only substantive but also fun the book would be a treasured gift for anyone suffering an incurable illness or who is a caregiver for a loved one for a college student considering a rewarding career in biomedicine for scientists who want to protect and enhance their research funding and for anyone who wants to see government respond to the needs of its citizenry chronic disease and disability are a prison cure is the triumphant escape wheelchairs should be for temporary occupancy only

moses david joseph peter paul these are just some of the well known names of the bible they are the subject of countless sermons and stories that have inspired bible lessons from childhood to

adulthood but scripture also contains a supporting cast of ordinary men and women often overlooked in bible study these lesser known characters

the discipline of social history has still not given enough attention to the ways in which the perceptions and roles of ordinary people changed over time in these fascinating british and dutch cases we see how the study of this evolution imparts historical texture and enables us to understand early modernity with greater clarity

the book engages with an urgent and disturbing question how are ordinary people readied to willingly kill others in the name of a cause it compares narratives of actors in domains often assumed incomparable in academic discourse naxalites studied within the framework of peasant rebellion social movement or recently even terrorism and hindu rioters viewed mostly under the broad rubric of ethnic violence the book draws from the author s extensive and painstaking fieldwork first with naxalite armed cadre across seven districts in jharkhand and bihar and later with participants in the 2002 riots in gujarat viewed from the standpoint of the perpetrator or foot soldier the book bridges hitherto sacrosanct boundaries between left extremist and communal violence making available a whole new dimension to the study of social mobilisation the politics of identity and with far reaching implications discovers deep commonalities in the life worlds and aspirations of those motivated to kill in the name of a cause in apparently disparate contexts the findings of this compelling analysis of human actors ordinary people driven to extraordinary violence will interest the informed general reader as also those interested in sociology politics violence studies ethnic movements naxalism policy studies and peace conflict studies

ordinary people exhibiting extraordinary greatness is a heartfelt exhortation for all people to accept jesus christ and use their god given gifts talents and abilities in conjunction with their spiritual character to edify mankind and glorify god the book begins by asking who are the ordinary people next it explains that gifts talents and abilities from god make ordinary people extraordinary followed by discussions on true greatness in the eyes of god spiritual character natural fruit and the correlation between these concepts are discussed this is followed by biblical examples of rahab ananias and mordecai who exhibited extraordinary greatness including exhortations about spiritual fruit the true worship of god not idols and the glory of god next is a detailed analysis describing david s conflict with goliath and a simple blueprint for exhibiting extraordinary greatness including a synopsis of repentance salvation righteousness the covenant forgiveness and the new creation completed by a discussion on purpose vision goals standard and mission this exhortation should encourage and edify anyone with a desire to please god

trans reality television the transgression of reality genre politics and audience offers an overview of contributions which engage with the phenomenon of reality television as a tool to reflect on societal and mediated transformations and transgressions while some contributors delve deep into the theoretical issues others approach the topic at hand through empirical studies of specific reality television formats and programs the chapters in this volume are divided into four sections all of which deal with how we see the fluid social at work in reality television through the trans real trans politics trans genre and trans audience the first section stresses the concept of the trans real these chapters go into the complexity of the construction of reality in reality television the second section which deals with the concept of trans politics offers a diversity of perspectives on the articulation and re articulation of politics and the political in the third section trans genre the chapters analyze how the modern conceptualizations of genre and format are transcended finally the last set of chapters articulate the concept of trans audiences using case studies of particular audiences and a study of reality celebrities trans reality television concludes by returning to the sense and nonsense of the use of these post concepts

one of the great bestseller of our time the novel that inspired robert redford s oscar winning film starring donald sutherland and mary tyler moore in ordinary people judith guest s remarkable first novel the jarrets are a typical american family calvin is a determined successful provider and beth an organized efficient wife they had two sons conrad and buck but now they have one in this memorable moving novel judith guest takes the reader into their lives to share their

misunderstandings pain and ultimate healing ordinary people is an extraordinary novel about an ordinary family divided by pain yet bound by their struggle to heal admirable touching full of the anxiety despair and joy that is common to every human experience of suffering and growth the new york times rejoice a novel for all ages and all seasons the washington post book world

political parties run by entrepreneurs as a means to their own end are a recent phenomenon found in many countries and their electoral influence has never been greater this book offers a thorough comparative analysis of such business firm and sometimes oddly memberless parties in western and east central europe assessing the considerable corpus of literature on the growing band of political entrepreneurs the book clearly separates such party enterprises from other more traditional political platforms as it contributes to our understanding of the potential of entrepreneurial parties the authors offer a unique typology based on two characteristics whether the party receives private financial media or other investment and the nature of its membership and territorial structure famous examples of entrepreneurial parties including silvio berlusconi s forza italia and geert wilders s party for freedom alongside their lesser known counterparts serve in this book as valuable material for conceptual innovation and the investigation into why certain entrepreneurial party types succeed or fail

this book is a study of political philosophy concerning the relationship between language and state it argues that language gives origin to the state its main idea is that while humans communicate using language they create and use media media extend the distance of communication these media include humans themselves materials human behaviour and consciousness humans then interact on a large scale and form a large community this leads to the dissolution of the tribe and the formation of the state then people seek and provide information give interpretations display attitudes and make promises in organizing the state some people also issue commands they all act through the various types of linguistic communication language is also the key to realizing freedom equality peace democracy and justice this book can be a reference book of political philosophy or political science or political linguistics to be read by university students and professors alike

revision of author s thesis ph d baylor university 2007 under title the material in salvific discourse a study of two christian perspectives

religion and science often appear to cause conflict in american public life but why this book reports the results from the first study to combine large scale empirical analysis of multiple religion and science debates with in depth research into what americans actually want from public life the surprising finding is that apparent conflicts involving religion and science reflect a more fundamental conflict between media elites and ordinary americans over what good debate should be raising profound questions about the future of the public sphere and american democracy provided by publisher
